***ELLIS, CHANGING
THE WORLD
OF WHEEL
ACCESSORIES***

At Ellis, technology, innovation and safety are our constantly evolving values and objectives as we strive towards the highest standards of quality. This clear Mission for the future is based on a solid past during which our commitment to progress was forged and our rich experience matured. Our company history spans almost 50 years, Half a century marked by research, experimentation, industrialisation and manufacture of products in sectors defined by constant change and the very highest expectations. Strengthened by our heritage, we design and manufacture cutting-edge accessories sharing with our clients unrivalled energy and excitement about the future.

Tecnologia, innovazione e sicurezza sono i nostri valori e obiettivi in continua evoluzione verso il massimo della qualità. Alla chiarezza della nostra mission si unisce la certezza di un passato che ha forgiato la nostra attitudine al progresso e ha creato la ricchezza dell'esperienza maturata nei quasi 50 anni di storia del nostro gruppo. Anni che significano da sempre ricerca, sperimentazione, industrializzazione e realizzazione di prodotti in settori caratterizzati da una rapida evoluzione e altissime aspettative. Forti di questo bagaglio progettiamo e realizziamo accessori all'avanguardia condividendo con i nostri clienti l'entusiasmante corsa verso il futuro.

Die Gewährleistung höchster Qualität in Technologie, Innovation und Sicherheit unserer Produkte ist das Ziel, welches wir durch deren ständige Weiterentwicklung erreichen. Zur Klarheit unserer Mission kommt der Reichtum an Erfahrung, der in der beinahe 50-jährigen Geschichte unserer Unternehmensgruppe gewachsen ist. Jahre, die schon immer Forschung, Experimentierung, Industrialisierung und Herstellung von Produkten in verschiedenen Branchen bedeuten, die von ständiger Entwicklung der Technologie und höchsten Erwartungen geprägt sind. Dank unserer großen Erfahrung, sind wir in der Lage modernes Zubehör zu planen und zu fertigen und teilen mit unseren Kunden die aufregende Zukunft.

La tecnología, innovación y seguridad constituyen nuestros valores y objetivos que evolucionan constantemente a fin de lograr lo máximo en términos de calidad de producto y de servicio. La claridad de nuestra misión se une a la certeza de un pasado que ha forjado nuestra actitud hacia el progreso y ha creado una amplia experiencia que fue creciendo en los casi 50 años de historia de nuestro grupo. Estos años son sinónimo de investigación, experimentación, industrialización y realización de productos en sectores que se caracterizan por una rápida evolución tecnológica y altísimas expectativas. Respaldados por este bagaje de experiencia, diseñamos y realizamos accesorios de vanguardia compartiendo con nuestros clientes la emocionante carrera hacia el futuro.

Технология, инновации и безопасность представляют собой наши основные задачи и цели. Мы постоянно стремимся к максимальному качеству продукции и услуг. Наши цели дополнительно подкрепляются нашим неизменным стремлением к прогрессу, опытом работы, накопленным за почти 50 лет истории нашей группы. За эти годы мы вели неустанные исследования, проводили эксперименты, занимались индустриализацией и создавали изделия, применяемые в областях, характеризующихся быстрой технологической эволюцией и высочайшими требованиями. Благодаря нашим знаниям мы проектируем и производим современные аксессуары, вовлекая наших заказчиков в движение к будущему.

Ellis, negli stabilimenti dell'azienda, realizza e verifica ogni singolo elemento secondo un sistema di gestione conforme alle norme UNI EN ISO 9001:2015. A questo si aggiunge il controllo dell'intera filiera produttiva, dalle materie prime alla confezione in modo da garantire al cliente il rispetto delle specifiche.

Bei Ellis unterliegt die Herstellung und Qualitätsprüfung jeder Komponente der Überwachung eines Qualitäts-Management-Systems, das nach den Vorschriften der UNI EN ISO 9001:2015 Norm. Darüber hinaus wird die gesamte Produktionskette vom Rohmaterial bis zum fertigen Produkt ständig überwacht um unseren Kunden die Einhaltung der technischen Spezifikationen zu gewährleisten.

En las plantas de la empresa, Ellis realiza y controla cada elemento según un sistema de gestión conforme a las normas UNI EN ISO 9001:2015. A esto se suma el control de toda la cadena de producción, desde las materias primas hasta el producto embalado, para garantizar al cliente el cumplimiento de las especificaciones técnicas.

Компания Ellis производит и испытывает на своих заводах каждый элемент, в соответствии с системой управления согласно стандарту UNI EN ISO 9001:2015. К этому следует добавить контроль за всем производственным циклом, от сырьевых материалов до готовой продукции, чтобы гарантировать заказчику выполнение технических спецификаций.

***THE QUALITY
GUARANTEE
OF REAL MADE
IN ITALY***

In its company-owned facilities Ellis manufactures and tests every single product based on a UNI EN ISO 9001:2015 compliant management system. Tight control is also maintained over the entire production cycle from raw material selection to packaging so as to provide clients with a water-tight guarantee that specifications are precisely followed.

1. GENERAL INFORMATION

1.1 This document is intended for customers (hereinafter "Customers") of ELLIS ENGINEERING SRL (hereinafter simply ELLIS); its purpose is to inform customers about the contractual conditions that ELLIS shall apply in all the sales of its products (hereinafter GENERAL TERMS AND CONDITIONS OF SALE), unless otherwise agreed in writing, and which, in any case, are binding on and effective between the parties pursuant to art. 1341 of the Italian Civil Code.

1.2. ELLIS applies the Italian law in all contractual relationships involving the sale of its products, save for any specific derogations to be agreed and proved in writing.

1.3 The General Terms and Conditions of Sale listed here exclusively refer to products bearing the ELLIS trademark (hereinafter the "Products").

2. OFFERS - QUOTES

2.1 The offers made by ELLIS to its Customers are effective for a maximum period of 20 (twenty) days from their submission; in any case they will have to be formalized in writing, including by email.

2.2. Upon expiry of the aforementioned deadline, the offer made by ELLIS shall be deemed cancelled and not acceptable by the CUSTOMER, unless otherwise specifically agreed in writing between the contracting parties

3. ORDERS

3.1 Purchase orders signed by the Customers and addressed to ELLIS must be confirmed using the specific form prepared by ELLIS (order confirmation), which each Customer has to sign and return to ELLIS, precisely specifying the quantity of the goods bought and any additional features of the requested products.

3.2 The purchase contract shall be considered finalized and binding on the parties by means of:

a) confirmation of the purchase order by ELLIS ENGINEERING SRL;
b) physical execution of the purchase order by ELLIS ENGINEERING SRL, provided it is in compliance with the contents of the sale entered into between the parties.

3.3 Any amendment or addition to the individual provisions of the General Terms and Conditions of Sale or to the purchase order shall be ineffective unless approved in writing by ELLIS. In the event changes are made to the purchase order after sending the form specified in paragraph 3.1., they shall have no effect if in the meantime ELLIS has accepted the order or has implemented it in part; in any event, ELLIS reserves the right to cancel the original purchase order and to suspend performance of the current one, requesting damages.

3.4 The Product delivery date specified in the purchase orders is always indicative and any delay of up to 40 days with respect to such deadline shall never constitute grounds for the CUSTOMER to claim damages against ELLIS or to terminate the contractual relationship. More specifically, ELLIS reserves the right to extend the delivery date due to unforeseeable circumstances or force majeure or in any case for circumstances that could not be foreseen at the time of the sale (for example, difficulty in procurement of raw materials and components); if prior to delivery, the CUSTOMER is in a difficult financial situation or changes its legal form, ELLIS shall be entitled to suspend performance of, and possibly terminate the contract.

4. DELIVERY AND SHIPPING

4.1 The Products are delivered to the Customer at the production site or at the registered office of ELLIS (hereinafter "Delivery").

4.2 If the Products are delivered Ex-works Fonzaso (BL) Incoterms 2010, the risk is transferred upon delivery of the Products by ELLIS ENGINEERING SRL to the Customer or to the carrier, the CUSTOMER being in charge of the transportation costs.

4.3 Unless otherwise agreed, ELLIS ENGINEERING SRL shall establish, in the name and on behalf of the Customer, the type of shipment, the transport route and the carrier.

4.4 ELLIS ENGINEERING SRL reserves the right to partially fulfil the purchase order or to partially deliver the products ordered. The Customer cannot raise any objection with regard to partial deliveries

and/or deliveries made by instalments. All Partial deliveries shall be invoiced individually and the payment time limits shall run from the date of each invoice. The payment of partial

Deliveries may not be deferred until completion of all the Deliveries related to the original purchase order. The provisions of Article 4.1 shall also apply to partial deliveries.

5. PRICES AND PRICE LISTS

5.1 The price is as specified in the last ELLIS offer, order o last ELLIS pricelist for the Customer, including normal packaging and excluding shipping costs (hereinafter the "Price"). The last price list issued by ELLIS ENGINEERING SRL cancels all previous price lists and, unless otherwise agreed, it shall be applicable to the sale.

6. PAYMENT

6.1 Payment of the Price has to be made within the time limit agreed between the contracting parties. Failure to pay the price within the agreed time limit shall result in the application of interest for late payment in commercial transactions, to the extent provided by Legislative Decree No. 231 of 9.10.2002 as amended and supplemented. Default interest shall run from the expiry of the payment due date, subject to ELLIS's right to seek compensation for any further damage.

6.2 The Customer may not make claims or raise objections against ELLIS until the Price has been paid.

6.3 In the event of irregular payments, ELLIS reserves the right to suspend the performance of all purchase orders, including those not affected by the delay or default by the CUSTOMER, without notice and with no right to compensation for the CUSTOMER.

7. RETURNS AND COMPLAINTS

7.1 Any complaints referring to either the quantity or the quality of the delivered Products must be made in writing within 8 (eight) days from receipt of the Products.

7.2 The Products returned shall be accepted by ELLIS ENGINEERING SRL only after written agreement and exclusively with regard to new Products with their original packaging.

7.3 The Products must be returned using the appropriate transport document specifying the written permission of ELLIS ENGINEERING SRL as well as the quantity and quality of the Products.

7.4 Returns shall not be considered accepted by ELLIS ENGINEERING SRL unless they are returned in the manner specified above and, specifically, taking delivery of the Products at the headquarters or at the warehouses of ELLIS ENGINEERING SRL may not be construed as acceptance of the returns.

7.5 The amount credited for returns not due to causes attributable to ELLIS ENGINEERING SRL, shall be subject to a 30% deduction, to be regarded as a flat-rate assessment of the damage (penalty clause), charged to the Customer on account of the general, shipping, goods deterioration, age etc. costs incurred by ELLIS.

8. WARRANTY

8.1 In business relationships or in case of products sold for professional use, this warranty is limited to the replacement of product / parts that ELLIS ENGINEERING SRL acknowledges as defective, through equivalent Products (the "Conventional Warranty"); the warranty does not include the costs necessary for repairing or replacing the material (e.g. labour costs, rental of equipment etc) .-

8.2 The provisions contained in articles 1490 to 1495 of the Italian Civil Code shall not apply.

8.3 ELLIS ENGINEERING SRL warrants the proper operation of the products within the limits indicated in 8.1 above. Unless otherwise agreed, the validity of the Conventional Warranty is 12 (twelve) months from the selling date, which can be found on the products by the batch number written on the packaging/ product identification sheet. The Warranty shall be effective and binding on ELLIS only if the product has been correctly installed. The usage/ mounting mode of the products and the correct choice of them related to the use are direct and exclusive responsibility of the CUSTOMER.

8.4 The warranty does not cover: failures or damage caused by transport and/or by carelessness, negligence, failure or damage due to tampering, defects caused by chemical agents and/or atmospheric phenomena.

8.5 Implementation terms: unless otherwise agreed, the right to the Conventional Warranty is exercised by showing a copy of the purchase document (invoice) to ELLIS. Any defect must be notified to ELLIS within the time limit of thirty (30) days from detection of the defect.

The action must be exercised within the limitation period of 6 (six) months from detection of the defect. The Product parts for which the Customer requests application of the Conventional Warranty must be returned by the Customer to ELLIS ENGINEERING SRL, Via G.Dorino 1, 32030 Fonzaso (BL) Italy.

8.6 The Customer cannot claim compensation for indirect damage, loss of profits, loss of production and in any case it cannot claim compensation for an amount that exceeds the value of the supplied components or products. All transport costs for Products that have been repaired or to be repaired, although covered by the Conventional Warranty, shall be charged to the Customer.

8.7 Specific amendments to the Conventional Warranty conditions described herein can be defined by the parties in their commercial contracts.

9. RESERVATION OF TITLE

9.1 The Products delivered to the CUSTOMER shall continue to be the property of ELLIS ENGINEERING SRL until full payment of the Price by the Customer, regardless of who has possession of the Products. Transport costs and other costs necessary to recover the Products as well as extraordinary expenses and those that can be recovered, shall be charged to the Customer.

10. PATENTS, TRADEMARKS AND DISTINCTIVE MARKS

10.1 The Customer is aware that the Products are covered by patents and incorporate know-how and design that are the exclusive property of ELLIS ENGINEERING SRL, pursuant to the Italian Industrial Property Code.

10.2 The Customer is expressly forbidden from infringing such ELLIS ENGINEERING SRL's rights; in any case, the Customer may not in any way remove, delete or otherwise alter the trademarks or other signs or distinctive marks of any kind affixed to Products or on packaging; the Customer is likewise forbidden from affixing new ones of any kind. Any form of reproduction or use of the ELLIS ENGINEERING SRL trademark and of any other distinctive mark on the Products is forbidden, without written authorization by ELLIS ENGINEERING SRL.

11. EXPRESS TERMINATION CLAUSE

11.1 Pursuant to article 1456 of the Italian Civil Code, any delay of more than ten days in the payment, or any non-payment of the Price, including partial, by the Client, as provided for in Article 6 of these General Terms and Conditions of Sale, shall result in termination of the purchase contract and ELLIS ENGINEERING SRL shall be entitled to seek compensation from the Customer for the damage suffered, in addition to restitution of the Products not paid by the Customer.

11.2 The notice referred to in the previous paragraph shall be sent by registered mail with return receipt or via certified email address (Pec).

12. AGREEMENT BETWEEN THE PARTIES

12.1 Any agreements, existing or that will take place between ELLIS ENGINEERING SRL and the Customer, in relation to returns and payment methods, shall prevail over the provisions of these General Terms and Conditions of Sale.

13. APPLICABLE LAW AND JURISDICTION

13.1 The purchase contracts entered into in accordance with the General Terms and Conditions of Sale are subject to Italian law only, with the exclusion of any other legislation.

13.2 All disputes that may arise on the mentioned purchase contracts shall be subject to Italian jurisdiction and referred to the exclusive competence of the Court of Vicenza, including if the agreed payment method is by bank collection order or draft payable at the customer's.

(Italy). The content of this catalogue is subject to change at any time and without notice by ELLIS ENGINEERING SRL.

Tutte le specifiche dei prodotti citati, incluso caratteristiche tecniche, testi, grafici o altri elementi, hanno scopo meramente informativo e in nessun caso sostituiscono quanto riportato nei manuali d'uso e manutenzione dei singoli veicoli. Ellis Engineering S.r.l. acquisisce tali informazioni in via indiretta, pertanto raccomanda di verificare con il massimo scrupolo tutte le caratteristiche tecniche dei singoli prodotti onde appurare che siano rispondenti all'impiego e/o all'utilizzo cui l'acquirente intende destinarli. In nessun caso, Ellis Engineering Srl potrà ritenersi responsabile dell'uso improprio dei prodotti e dei danni che possano derivarne, a qualsiasi titolo, anche a terzi.

Le immagini, i disegni tecnici e le relative specifiche appartengono a Ellis Engineering Srl e sono protetti dalle leggi sul copyright. Ogni utilizzo non espressamente autorizzato sarà perseguito legalmente. Le specifiche dei prodotti sono soggette a cambiamenti senza preavviso. Possono essere richiesti, su specifiche del cliente, articoli con altre misure oppure a disegno. Foto immagini e disegni sono puramente indicativi. Ellis Engineering Srl si riserva il diritto di apportare qualsiasi tipo di variazione, anche senza preavviso, al fine di aggiornare e migliorare il catalogo in qualsiasi momento. Ellis Engineering Srl non risponde per eventuali errori tipografici o descrizioni errate di prodotti e caratteristiche tecniche.

The specifications of the products indicated in this catalogue including technical characteristics, texts, drawings, graphics or other elements are for informative purposes only and in no case replace the instructions of the manuals of use and maintenance of the vehicles. Ellis Engineering Srl acquires such information indirectly, therefore it recommends to carefully verify all the technical characteristics of the products in order to ascertain their suitability for the use intended by the buyer. It is highly recommended to contact an authorized tyre shop for the replacement of the products. Under no circumstances may Ellis Engineering Srl be held liable for the improper use of the products and for the possible damages that may derive, for any reason, even to third parties.

All images, technical drawings and specifications are the exclusive property of Ellis Engineering Srl and are protected by International Copyright laws. Any unauthorised use will result in legal proceedings. Ellis Engineering Srl reserves the right to alter technical specifications at any time without notice. Clients may request bespoke products of different sizes and/or based on customised designs. All photographs and other images shown are for informational purposes only. Ellis Engineering Srl reserves the right to make any kind of alteration, at any time and without prior notice so as to update and improve the catalogue. Ellis Engineering Srl is not liable for any errors or other mistakes in the technical descriptions and technical characteristics of the products shown.
